

2020 Junior Golf Schedule

Each session will receive six hours of instruction but in a condensed two-week period (details below). We are also offering a new program for our “older” juniors, SCC Junior Tour. The SCC Junior Tour will focus more on playing less on instruction and host weekly 9- or 18-hole events to help prepare the Juniors for competitive golf.

Make sure to stop in and pick up the 2020 Junior Golf gift. All golfers will receive an SCC water bottle when you register.
